Date : July 31, 2018

Snelling has been named by Staffing Industry Analysts (SIA) as one of the largest staffing firms in the United States.

The 23rd annual report of the Largest Staffing Firms in the United States covers firms that generated at least \$100 million in 2017 staffing revenue and features 143 companies. Added together, the staffing firms on the 2018 list generated \$83.6 billion in revenue, making up 58.6% of the total market.

“These organizations stand out for their sizable operations and impressive achievements as industry leaders in today’s competitive and dynamic ecosystem,” said Barry Asin, President of Staffing Industry Analysts.

Snelling made the 2018 list reporting \$215 million in 2017 revenue.

“It is an honor to be recognized for providing solutions to our customers’ complex staffing concerns,” said Lee Elkinson, Chief Executive Officer of Snelling. “This award is a reflection of our team’s tireless effort to connect exceptional people with exceptional opportunities since 1951.”

This honor is just one of many Snelling has received in 2018. Earlier this year, Snelling earned [Invero’s Best of Staffing® Client Satisfaction Award](#) for the sixth consecutive year. Forbes also
